IAS–USA Intensive Workshop on Hepatitis C Management

Milwaukee, Wisconsin
Tuesday, November 6, 2018
9:00 AM – 2:00 PM CT

REGISTER NOW

Mark your calendars and register now for the 2018 IAS-USA Small-Group Intensive Workshop on Evolving Strategies in Hepatitis C Management in Milwaukee, Wisconsin. The half-day workshop will once again feature its familiar and popular format: expert IAS–USA faculty, joined by local hosts, will lead a mix of didactic presentations, case studies, and group discussion over 4.5 CME hours of learning.

LEARNING OBJECTIVES

After completion of this activity, learners will be able to describe:

- Screening and testing for hepatitis C virus (HCV) infection and staging of the liver for the non-hepatologist
- Strategies for state-of-the-art treatment for HCV infection
 - Treatment-naïve and -experienced patients
 - HCV in the setting of HIV/HCV coinfection
 - HCV infection in special patient populations, such as those with advanced liver disease
- Post-treatment screening for hepatocellular carcinoma

WHO SHOULD ATTEND

The small-group, interactive format is designed for clinical decision makers, such as physicians, nurse practitioners, and physician assistants, as well as pharmacists and RNs, who plan to begin treating patients with HCV infection, who have experience in treating HCV infection, and who would like to update their knowledge of HCV infection management.

Representatives and employees of commercial companies (pharmaceutical, diagnostic, medical products, advertising, insurance, investment, communications firms, etc) must contact the IAS–USA regarding registration procedures.

CONTINUING EDUCATION CREDITS

CME Credits

The International Antiviral Society–USA (IAS–USA) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The IAS–USA designates this live activity for a maximum of **4.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Points

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **4.50 MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
